

Norfolk Trout Club – Quick Start Guide

First thing to do upon arrival is sign the member book. Don't be looked upon as a trespasser.

Guest fees are entered in the guest log, guest envelope filled out and put in the mail slot for payment upon arrival. Also observe the 2 rod rule, the guest policy of up to two guests however, a two (2) rod per beat limit. Meaning only two lines in the water at any one time. So, if you bring two guests and they both fish, you as the host cannot fish. Maximum two rod limit.

All fish over 14" should be returned to the water so other members can enjoy.

Each member is responsible for the care of the boats, anchors, preservers and oars/paddles they use.

Clean up after yourself in the cabin, tuck in the chairs, replace toilet paper if needed, take out trash, wash used dishes and glasses etc.

Last person out closes the fireplace doors, lights off and lock up. Ensure the deadbolt is functional and remember where the "hidden" keys are located and replace if used.

Also, please visit www.norfolktroutclub.com and read the official Bylaws and Rules & Regulations.
